If you drop off your child early or pick them up late there is a \$10 fee for every 15 minutes the child is left unattended. Please be on time. Being late is difficult on your child as well as distracting to classmates. Also, warmups are an extremely important part of class!

- **Behavior:** If an AIM staff member determines that a child's behavior is not appropriate for the registered class expectations, we will work together to find an alternate placement.
- **Withdrawals: Completed MANDATORY withdrawal forms must be turned into the office two weeks PRIOR to withdrawal date to avoid continuing charges.** We have your child enrolled in their class until they are withdrawn. If no notice is given, parents are still responsible for all month's charges whether class was attended or not, until written withdrawal notice is given. No drops will be accepted over the phone; neither will verbal notice to office staff or to an AIM coach.
- **Viewing Areas:** All non-AIM participants must always remain in the viewing area. AIM viewing area is outside of all AIM black safety gates. Only students & instructors are allowed passed the gates and on the floor. Parents **MUST** supervise all children not participating in class. If non-participating children are being disruptive to classes, we may ask you to leave the viewing area. If you need to speak to your child, please notify the office. Do not talk to your child during class. We are not responsible for any lost or stolen items left in the gym.
